

Nepean Clat Target Club(inc)

A memorial shoot was held on Saturday 19th to remember Rod Scott, Ulysses Rossetto and Jack Stonefor their contribution to the running of Nepean CTC. Each of them put in without being asked and as such became valuable members of the club.

The shoot was held in typical Nepean weather, windy and wet with a good degree of difficult targets. The targets thrown were the type of target that our remembered members preferred to shoot at (not always hit) in their time at the club.

Results of the 100 target medley (50 continental and 50 ball trap):

AA grade and overall 1st Mark Bravin AA 2nd Tony Rowe

A grade 1st Neil Bakker 2nd Brian Barlow

B grade 1st Norm Quick 2nd Rob Jones

C grade 1st Peter Noy 2nd Tony Gregory
